**KBC'S MOTION FOR SUMMARY JUDGMENT  
OF NON-INFRINGEMENT**

Pursuant to Fed. R. Civ. P. 56 and as set forth in the accompanying memorandum, defendant Kao Brands Co. ("KBC") moves for summary judgment of non-infringement.

Counsel is aware of this Court's general policy not to decide summary judgment motions until late in the case and after the completion of fact and expert discovery. However, it is submitted that the circumstances in this case justify an exception to this general policy since plaintiff, it is believed, does not have even an arguable position as to infringement. In such a circumstance, it is submitted, KBC should not be required to defer until late in the case the resolution of this dispositive issue.

The grounds for this motion are more fully set forth in KBC's Memorandum in Support of its Motion for Summary Judgment of Non-Infringement, filed contemporaneously herewith.
